# Introduction

**Akshaya Power Systems** is in the business of providing comprehensive solutions in the field of power for over 25 years. We are a group of professionals, en route to build our legacy of a company with the best quality standards.

We are striving to be recognized as an organisation committed to quality.

To achieve this we have been taking necessary steps to improve quality of workmanship, standards of safety, methods of project management, development of skills amongst our team and all that is necessary to provide the best to our clients. We have also shown our skill set by completing several prominent installations in Mangaluru.

We are greatly obliged and thankful to all our clients, associates for supporting and encouraging us in our endeavour to be nothing but the best.

We hope the profile gives you confidence to enlist our name in your approved Vendor list and we will endeavour to give you our very best.
